Enter for a chance to win an EESW goody bag and an Amazon voucher!

Choose either the Fun Challenge or the Stretch Challenge  and get creative with your STEM skills! Good luck!

Fun Challenge: Air Power

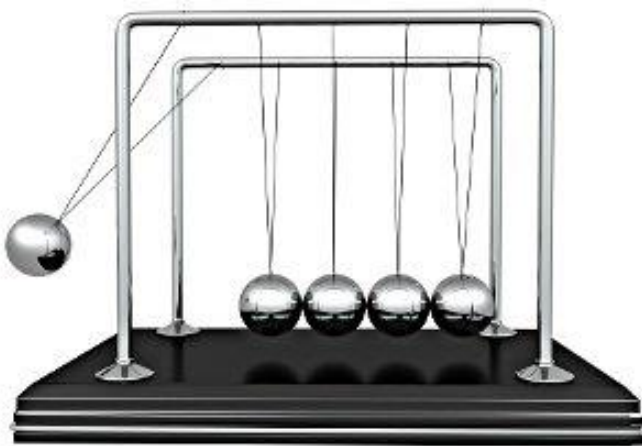

Can you design, build and test a method of transportation through the air, using either a balloon or a desk fan?

Research ideas: Hover CD, Egg landing craft

Rules: Use only materials found in your home. Your method must be able to carry an object of your choice.

Stretch Challenge : Concept Modelling

Using items in your home and your own research, can you make a model that represents Newton's Third Law?

Starting tip: How does this picture represent Newton's Third Law?

Submit your competition entry, either pictures, videos or design drawings, to ize@eesw.org.uk or to our Twitter account @EESWSTEMCymru by 12pm the following Tuesday. Winners announced 9am Wednesday. Good luck!
